

A few things to remember:

- You are loved infinitely by God.
- God made you for a special purpose.
- The happiest you'll ever be is when you're living God's plan for your life.
- It is possible to know God's plan for your life.

## Celebrating New Vocations

Two young women from the Archdiocese of Toronto recently entered the Sisters of Life!

Sr. Charity (Emma Brown, pictured below) from Guardian Angels parish in Orillia, entered in 2016. Prior to that, she served for two summers as a Totus Tuus missionary.

Marlena Loughheed (top center in group picture), from St. Paul's Basilica Toronto, entered in 2017, and previously worked for the Archdiocese.

The Sisters of Life are dedicated to pray and work for the protection of human life. Founded in 1991, they have been in the Archdiocese of Toronto since 2007 and offer assistance to vulnerable pregnant women in need, hope and healing after abortion, retreats and evangelization.

A vocation is a permanent state of life—like marriage, priesthood, and consecrated religious life. The Office of Vocations for the Archdiocese of Toronto helps people discover God’s calling for their lives. We offer discernment programs for young people allowing them to connect with others seeking to live fully in Christ. Let us help you.

## Totus Tuus 2018

Totus Tuus is a summer youth program led by teams of university-aged missionaries. These missionaries travel to different parishes throughout the summer delivering week-long catechetical camps for young people entering grades 1-12.

The participants and volunteers see these young adults who are on fire with love for Jesus, joyfully serving the Church, and this sows in their hearts a desire for a dynamic faith.

The missionaries not only teach the Catholic faith through engaging catechesis, games, songs and skits, but by their very lives, they bear witness to the Gospel.
